

WEDNESDAY, OCTOBER 4TH • 7:00 AM

“Brake For Breakfast”

LOCATION:
Minidoka Memorial Hospital
1224 8th Street • Rupert

Sponsored by

Minidoka
Memorial Hospital

The Hospital Cooperative

On Wednesday, October 4th, 2023, 14 hospitals and clinics across the region will celebrate Breast Cancer Awareness Day with “Brake for Breakfast”.

This Annual Event is designed to allow all women

and men, everywhere, to do something nice for themselves without ever leaving their cars.

It all gets underway at 7:00am. Recipients will receive a free breakfast, breast cancer detection information, and a special gift while supplies last.

Please join us on this special morning as we work together to reduce the number of deaths caused by breast cancer.

Early detection is the best protection!
